

Fire Burns

Nicki Minaj

You shoulda left, the other day
You let me beg, for you to stay
This is a sickening joke that you play with my emotions
And so I pray you burn in hell and you never find the ocean

I hope your fire, fire burns baby
I hope your fire, fire burns baby
I hope you lay down in your sleep and you choke on every lie yo
u told
And when you're reaching out for me you'll see you reap everyth
ing you sow

You piece of shit, you broke me down
Thought you said you, would hold me down
But I can see it in your eyes that you're blinded by the flashi
ng lights
And you's a stupid motherfucker for letting this thing pass you
by

I hope your fire, fire burns baby
I hope your fire, fire burns baby
I hope you lay down in your sleep and you choke on every lie yo
u told
And when you're reaching out for me you'll see you reap everyth
ing you sow
