

Fresh Idea

Nico & Vinz

Hey
I think I got a fresh idea
One that you have to hear, hey
Taste the world when you're wrapped in life
See color better than before
See life as an open door
If it rains then tomorrow we'll shine
Oh, ooh
Oh, ooh

Hey
Life is a treasure
We're free to adventure
So let's take a moment to stop
Just breathe, we're free
I know sometimes that it's harder to see
Just breathe, you're free
Open your eyes to the moment
And taste possibility

Oh yeah, yeah, yeah
It's gonna set you free
Oh yeah, yeah, yeah
Taste possibility

Feel stuck before you start
Breathe the air that frees your heart
Put your worries to the side
Come back refreshed with love
Ready now let's take the plunge
Splash into the pool of life

Just breathe, we're free
I know sometimes that it's harder to see
Just breathe, you're free
Open your eyes to the moment
And taste possibility

Oh ooh, oh oh ooh
Singing loud with me
Oh ooh, oh oh ooh
It's gonna set you free
Oh ooh, oh oh ooh
Singing loud with me
Oh ooh, oh oh ooh
And taste possibility

Hey!
Always remember that life is a treasure
We're free to adventure
Just take little moments to stop

Just breathe, we're free
I know sometimes that it's harder to see
Just breathe, you're free
Open your eyes to the moment
And taste possibility

Oh ooh, oh oh ooh
Singing loud with me
Oh ooh, oh oh ooh
It's gonna set you free
Oh ooh, oh oh ooh
Singing loud with me
Oh ooh, oh oh ooh
And taste possibility
Taste possibility
Taste possibility
