

Can't Get Away from You

Nicolette Larson

Everywhere I go, been with you there before
Why does it make me blue?
Sweet little darlin'
Can't get away from you

I'm there in his arms, feelin' his charms
When I close my eyes, it's you
No matter what I do
I can't get away from you

Can't get away from
Sweet, sweet, sweet darlin'
Sweet, sweet, sweet darlin'
(I can't get away from you)
Sweet, sweet, sweet darlin'
Sweet, sweet, sweet darlin'
(I can't get away from you)

It's pretty lonely weather without you, darlin'
Maybe someday you'll feel it too

Feel it too
Can you feel it?

Sweet, sweet, sweet darlin'
Sweet, sweet, sweet darlin'
(I can't get away from you)
Sweet, sweet, sweet darlin'
Sweet, sweet, sweet darlin'
(I can't get away from you)

Sweet little darlin'
Can't get away from you

Everywhere I go, been with you there before
So why does it make me blue?
Sweet little darlin'
Can't get away from you

Sweet, sweet, sweet darlin'
Sweet, sweet, sweet darlin'
Sweet, sweet, sweet darlin'
Sweet, sweet, sweet darlin'
