

City Of Angels

Nik Kershaw

Gone fishing for compliments
On hollywood and vine
I'd come to your party
But I haven't finished mine
Talk to the doctor
He turns acid into wine, 'cause

I am an angel in the city of angels
Nothing cuts too deep
Yes I am an angel
In the city of angels
And I live the biggest sleep... oh oh oh

I'm off to chew the fat
Where all the in crowd chew
Hang loose at the oscar show
And at the yacht club too
Don't mess with me
'cos I've a bigger hose than you. 'cause

I am an angel in the city of angels
Nothing cuts too deep
Yes I am an angel
In the city of angels
And I live the biggest sleep
Cos I am an angel nothing here is real
Cos I am an angel in the city of angels
It only matters what you feel

Cause
I am an angel
In the city of angels
And everything is cool
Cause I am an angel
In the city of angels
It's me I'm trying to fool

'cos I am an angel
In the city of angels
Nothings as it seems
'cos I am an angel
In the city of angels
So come and live your dreams

'cos I am an angel in the city of angels
Nothing cuts too deep
'cos I am an angel
In the city of angels
And I live the biggest sleep
