

# You're the Best

Nik Kershaw

It's a pleasure and an honour  
And I really wouldn't wanna get the words wrong  
I could make it easy  
With a poem or a cheesy little love song  
But I like to play it cool  
I wouldn't wanna look a fool  
I wouldn't wanna be a stalker or a freak  
But we've got a situation that is quite unique

You're the best  
You're the best  
I confess it, I'm impressed  
You're amazing  
You're the wham  
You're the bam  
You're the thank-you and the mam  
You're the cat's meow  
You're the best  
Heaven's sake  
You're the cherry on the cake  
You're amazing  
You're the knees of the bees  
You're the winner if you please  
Take a bowwow

You're funny and you're shiny  
And I'm loving every tiny thing about you  
You're beautiful and clever  
And I wonder what I'd ever do without you  
Don't like to make a fuss  
I wouldn't wanna make you blush  
I wouldn't wanna have it going to your head  
But it goes without saying that it must be said

You're the best  
You're the best  
I confess it, I'm impressed  
You're amazing  
You're the wham  
You're the bam  
You're the thank-you and the mam  
You're the cat's meow  
You're the best  
Heaven's sake  
You're the cherry on the cake  
You're amazing  
You're the knees of the bees  
You're the winner if you please  
Take a bowwow  
Take a bowwow

I like to play it down  
I wouldn't want to look a clown  
I wouldn't wanna be a nuisance or a pest  
But I've absolutely gotta get it off my chest

I am blessed
