

Moontears

Nils Lofgren

E **D** **A** **G**
Here I come again on a Saturday night
E **D** **A** **G**
After the first love that ever felt right
E **D** **A** **G**
Ask me if it's right to love another guy
E **D** **A** **G**
First I say yes, then I tell her why

R: Cryin' moontears,

I'm cryin' moontears,
Em **D C D**
Cryin' moontears,
Em **D C D**
I'm cryin' moontears

Early in the morning I feel the sun
True love is sad if it's the only one
She looks good and it hurts my head
Sometimes I think I'd feel better dead

R:

Hear me cry!

Yeah, everyone is tryin' to love the one I love
I don't think they really understand love
It's easy to fall and harder to part
No matter where it is it comes from the heart
