so try to keep your mouth from  
coming open  
and give your body, get your body  
get your body get the get, get get get get

but this is oh my god  
its too far away right now  
ive been around ive known your type  
when i geht yours then its good night  
id like to see you in the sewers of my mind  
i came to dance and nothing more  
i came to dance, so get your body out onto the floor  
oh frankie frankie i came to dance and nothing more  
come on like the world is up from nina got some  
wisdom for your brain  
like signor and signorina got to make it  
very plain like the globe is my arena  
but its pouring acid rain,  
if the earth dont get me greener,  
we will will be down the drain
