Down In It

Nine Inch Nails

Kinda like a cloud I was up way up in the sky and I was feeling some
feelings you wouldn't believe sometimes I don't believe them myself a
nd I decided I was never coming down
Just then a tiny little dot caught my eye it was just about too small
 to see
But I watched it way too long and that dot was pulling me down

I was up above it
I was up above it
Now I'm down in it
I was up above it
I was up above it
Now I'm down in it

Well shut up so what what does it matter now
I was swimming in the haze now I crawl on the ground
And everything I never liked about you is kind of seeping into me
Try to laugh about it now but isn't it funny how everything works out
I guess the jokes on me, she said

I was up above it
I was up above it
Now I'm down in it
I was up above it
I was up above it
Now I'm down in it

I used to be so big and strong
I used to know my right from wrong
I used to never be afraid
I used to be somebody

I used to have something inside
Now just this hole that's open wide
I used to want it all
I used to be somebody

I'll cross my heart and hope to die but the needle's already in my ey
e
And all the world's weight is on my back and I don't even know why
And what I used to think was me is just a fading memory
I looked him right in the eye and said goodbye

I was up above it
I was up above it
Now I'm down in it
I was up above it
I was up above it
Now I'm down in it
