Ninja Sex Party

Well, that was the last song from Attitude City.
We hope you followed our blueprint closely,
And would like to personally apologize to your socks in the event that they were rocked off too hard during coitus.
If we can have a moment of real talk,
Ninja Brian and I would just like to say thanks for all the love and support you've given us throughout these past few years.
Let me get as close to the microphone as possible for maximum sincerity on this.

Thanks!
