

Real Nigga Moves

Nipsey Hussle

[*]

Smoke marijuana, watch cost a Honda and the crib got remarkable views

Eating downtown, look like it's China, I be making these real nigga moves

Uh look, swervin... feelin this shit, brown liquor on my liver and shit

Fast life, still livin and shit, black leather suede ceilings and shit

Top floor tall building and shit, live by the model let's get killed or get rich

Fly to islands just to chill with a bitch, I'm just a nigga that was real and that's it

With no regards to how you feel about shit, them German plates on my 6

I sleep light, but I dream big, I tend to talk less cause I see n shit

Stick to the script until the scene switch, I wrote this movie, get this money is what the theme is

I'm smoking weed like a weed head, Mimosas by the oceans with the cheese eggs

Flickin ashes out my sunroof, victory cause real niggas in the lead here

Eating downtown, look like it's China, I be making these real nigga moves

A steak every week, keep it too street, you know I'm a do what I do

Wallet so plush, you know my stock's up, I be making these real nigga moves

I'm working, to like 3 AM, the most beloved nigga from the CA, unh

We hit Mitchell&Ness in the PAD, it's back to LA, let the VA speak

We at sachi bowl, [?], That Perrier water, that's for me right there

No soda drinkin, french fries at the roller rink, just the play a president, what you hoes been thinkin?

Letting niggas gas you all crazy, last time I seen him he was acting all shady

CLS taillights pass you all crazy, OPM the army, exactly like baby

Except we ain't got no funding from Universal, but still gettin

g cameos in them big commercials

Gimme something to mix with this lil purp, light that up keep i
t in the circle, ya know
