

Ride With Me

Nivea

Come ride with me
Come fly with me
Get high with me
Come roll up, bless the sky with me

And my team is always with it, with it, with it
Plenty of room for new beginnings
Sunshine all in my feelin', feelin', feelin'
But I ain't got time [?] no!

Come ride with me
Come fly with me
Get high with me
Come roll up, bless the sky with me

Come ride with me (Ride with me)
Come fly with me (Yeah)
Get high with me (Yeah)
Come roll up, bless the sky with me (Yeah, yeah)

Ride
