Nivea

Niggas think they know me, but they don't  
They think they know me, but they don't  
Even bitches swear they know me, but they don't  
They think they know me, but they don't  
Niggas think they know me, but they don't  
They think they know me, but they don't  
Even bitches swear they know me, but they don't  
They think they know me, but they don't

Hi, hater  
You've been prayin, waitin' for me to fall  
But I ain't fallin' off at all  
Perpetrator  
See me later  
You know that I got the sauce  
Miss me with that shit you talk

So keep my name in your mouth, bitch!  
How do I taste?  
So keep my name in your mouth, bitch!  
How do I taste?

Stop the hate  
Baby, take a seat  
I want you in [?]  
Get like me  
Got 'em a surprise  
[?] I'm still fly [?]  
I'm takin' my time  
Keep that hatin' on the side  
Watch me while I take flight  
My only limit is the sky!

Niggas think they know me, but they don't  
They think they know me, but they don't  
Even bitches swear they know me, but they don't  
They think they know me, but they don't  
Niggas think they know me, but they don't  
They think they know me, but they don't  
Even bitches swear they know me, but they don't  
They think they know me, but they don't

They don't, ah-ah
