Man were living in a fucked up world
Man were living in a fucked up world
I don't care what you think
what you eat
what you drink
what you wear
what you care 'bout the world
Hey
Hey
Hey
I don't care that we don't even speak
That the word on the street
is that you really care
Hey
Hey
Hey
And were living in a fucked up world
This is such a fucking fucked up world
He's fucked
She's fucked
everybody's fucked up
Man were living in a fucked up world

Man were living in a fucked up world
Man were living in a fucked up world
all the money
and the glamour
and the fame
and your name in lights
Doesn't make you right
Hey
Hey
Hey
So alone I lay down in bed
They can get you to do anything
'cause they trained you right
Hey
Hey
Hey

This is such a fucking fucked up world
He's fucked
She's fucked
everybody's fucked up
Man were living in a fucked up world

Man were living in a fucked up world

He's fucked
She's fucked

He's fucked
She's fucked
everybody's fucked up
