C Ami Ami Come away with me in the night Ami Come away with me

F

Emi And I will write you a song

Ami C Ami

Come away with me on a bus

Ami Emi F

Come away with me where they can't tempt us

With their lies

G F

I want to walk with you

On a cloudy day

In fields where the yellow grass grows

knee high

So won't you try to come

Come away with me and we'll kiss On a mountain top Come away with me And I'll never stop loving you

And I want to wake up with the rain Falling on a tin roof While I'm safe there in your arms So all I ask is for you To come away with me in the night Come away with me
