## **Peace**

## **Norah Jones**

There's a place that i know where the sycamores grow And daffodils have their fun Where the cares of the day seems to slowly fade away And the glow of the evening sun Peace when the day is done

If i go there real late, let my mind meditate on everything to be done

If i search deep inside, let my conscience be my guide

Then the answers are sure to come

Don't have to worry none

When you find a piece of mind
Leave you worries behind
Don't say that it can't be done
With a new point of view
Life's true meaning comes to you
And the freedom you seek is one
Peace is for everyone
Peace is for everyone
