

Junior Cadillac

Norman Greenbaum

Here come Junior Cadillac
Lookin' fine, got his hair slicked back
Goin' dancin' with a favorite

Hey, hey, gonna do it up (Lowrider)
Lowrider, gonna steal your heart away

Goin' cruisin' down the boulevard
Eyes peepin', lookin' hard
Lookin' for a chick with fancy taste

Hey, so he can do it up (Lowrider)
Lowrider, gonna steal your heart away
(Lowrider steal your heart away)
(Lowrider steal your heart away)
Lowrider, gonna steal your heart

Goin' dancin' at the union hall
Get ready, gonna have a ball
Got a pint of alcohol

Hey, gonna do it up (Lowrider)
Lowrider, gonna steal your heart away
(Lowrider steal your heart away)
(Lowrider steal your heart away)
Lowrider, gonna steal your heart
