

Milk Cow

Norman Greenbaum

Jethro got himself a milk cow
And he called her Bess
Jethro got himself a milk cow
And he called her Bess

Milk cow in the mornin'
Milk cow, oh, any time at all

He can tell the early of the mornin'
By the rooster call
He can tell the early of the mornin'
By the rooster call

Milk cow in the mornin'
Milk cow, oh, any time at all
Any time, any time at all
Any time

Give you a lifetime of pleasure
All she needs is love
Give you a lifetime of pleasure
And all she needs is love

Milk cow in the mornin'
Milk cow, oh, any time at all
Any time at all
Any time, any time
Any time at all
Any time

Jethro got himself a milk cow
