Hex

Nunslaughter

With this knot I seal this hex
You will not sleep, you will not rest
Knots of anger, knots of hate
Discord brings you to your fate
This second knot it makes two
Unhallowed thoughts and sickness new
Slander, schism, evil too
Bringing darkness straight to you

Hex

My gathered bones and frenzy of hate
I add potency to your hexing fate
With these bones I now do smash
Cursing my enemies to fall to ash
Candles burn and fill the room
Lighting your way to stagnant tomb

Hex
You are mine now (I put a hex on you)

This third knot, I do bind
Weaving chaos in your mind
A hex of anger, hex of hate
To bring you doom, I will not wait
Spirit abyss, hear my call
Most powerful one and all

Hex

Take thine enemy, take him smite
Break and scorn him in the night
Oh Lucifer the shining star
Touch and burn him from afar
You are mine, this is your doom
Screaming twisting in the room
Revenge now will have its time
Know thy enemy you are mine
