

## Raise Your Voice

## Obey the Brave

I will remain (undefeated)  
A new reign, at the top of the food chain  
I will remain (undefeated)  
Never back out cause they get what I'm about  
I will remain (undefeated)

Go ahead, and do your best  
There's fire in my head, condition in my chest  
I'll defend with this lactic acid  
Keep running your mouth, I won't lose sleep

All call, I'll rise on the tip of your tongue  
No one, your song shall be left unsung  
Freedom like my own choice  
Wide awake, I'll raise my voice

So raise your voice, raise your voice  
And open fight to never let up  
We're living it up, won't ever let up  
So raise your voice, raise your voice  
And open fight to never let up  
And if I fall I'll rise back up

I will remain (undefeated)  
A new reign, at the top of the food chain  
I will remain (undefeated)  
Never back out cause they get what I'm about  
I will remain (undefeated)

Real to, bring you one more time  
Walls I'll break through, mountains I'll climb  
Those sheep, but my actions speak  
Keep spreading lies, you act like sheep

All call, I'll rise on the tip of your tongue  
No one, your song shall be left unsung  
Freedom like my own choice  
Wide awake, I'll raise my voice

So raise your voice, raise your voice  
And open fight to never let up  
We're living it up, won't ever let up  
So raise your voice, raise your voice  
And open fight to never let up  
And if I fall I'll rise back up

Alright alright alright  
Oh oh oh, pointing fingers with dirty hands  
Oh oh oh, pulling triggers, no backup plans  
Cause spitting venom, I've got the antidote  
I will sink your boat, you'll sink like teeth in your throat  
Oh oh oh, I will never stop

So raise your voice, raise your voice  
And open fight to never let up  
We're living it up, won't ever let up  
So raise your voice, raise your voice

And open fight to never let up  
And if I fall I'll rise back up

I will remain (undefeated)  
I will remain (undefeated)  
I will remain (undefeated)
