

It's all been said

I'm a nightmare and I'm going crazy,
You're going nowhere so I'm taking you with me
Myself, and I, is all I've got and I don't give a,
What you say this time,
You think you know about me'
Well I think you're nothing false words fall dead.

I won't pretend, I wish you were dead
I won't pretend, I wish you were dead

It just might be me, out of line.

You know that, I'm a nightmare and I'm going crazy;
You're going nowhere so
I'm taking you with me (out of line)
You know that, I'm a nightmare and I'm going crazy;
You're going nowhere so
I'm taking you with me
Taking you with me

This is what you get when you fuck with a classic roundabout,
But it just might be me out of line
This is what you get when you fuck with a classic roundabout,
But it just might be me out of line

Feel the weight on my shoulders, your legs are giving out,
Cant scream,
Can't make a sound,
I'm dying just to keep sane.
You'd give up before you'd let me live,
You'd give up before you'd let me
Live
You know that I,
I'm not better off dead.
I'm here, alive, and I'm,
Relentless, I'm relentless,
I'm relentless, I'm relentless

This is what you get when you fuck with a classic roundabout,
But it just might be me out of line
This is what you get when you fuck with a classic roundabout,
But it just might be me out of line

I'm relentless, I'm relentless, I'm relentless.
