

Kristy, Are You Doing Okay?

The Offspring

- C**
1. There's a moment in time
Ami
And it's stuck in my mind
F **G**
Way back, when we were just kids

Cause your eyes told the tale
Of an act of betrayal
I knew that somebody did

F **G**
X: Oh, waves of time
C
Seem to wash away
Ami
The scenes of our crimes
F **G**
But for you this never ends

C
R: Can you stay strong?
Ami
Can you go on?
F **G**
Kristy are you doing okay?
C
A rose that won't bloom
Ami
Winter's kept you
F
Don't waste your whole life trying
G **C**
To get back what was taken away

2. Though the marks on your dress
Had been neatly repressed
I knew that something was wrong

And I should have spoke out
And I'm so sorry now
I didn't know cause we were so young

X: Oh, clouds of time
Seem to rain on
Innocence left behind
And it never goes away

R: Can you stay strong?...
- F** **G**
X: Oh, clouds of time...
(And it never goes away)
F **G**
And it never goes away

R: Can you stay strong?...

F
Don't waste your whole life trying
G **C**
To get back what was taken away
