Don't Forsake Me

SAR HAMAMUNAH, SAR HAMAMUNAH GINAT AGOZ GUM PATAH NAH GINAT AGOZ GUM PATAH NAH LIKRAT YADIDI UMAHERAH

Don't cast me away When I start to fade When my mind's unmade Don't forsake me When my strength has ebbed Don't forsake me.

I know the day will come, I know the day will come And all my life will be haze and spark Don't ever leave me in the dark.

Don't cast me away When I start to fade When my mind's unmade Don't forsake me When my strength has ebbed Don't forsake me. Oh, Oh, Oh, Don't cast me away Ofra Haza
