

## No Time to Hate

Ofra Haza

NO TIME TO HATE  
Can't you see in this time of fear  
People are hiding their tears  
In this time we need someone to hear  
Someone to feel  
I hope you see  
The same as I see  
I hope you see  
Like I do  
I hope you see  
As far as I see  
I hope you see  
Like I do  
As you know - wild is the wind  
So wild is all of our life  
No time to hate - only to love  
Please hold me tight
