

Larry Bird

OJ da Juiceman

51, 50, 51, 50 nigga!
The way I work my wrist I should have played with Larry Bird
32 bangs, just so Larry Bird
Gimmie gimmie cookie... just so Larry Bird
And my trap going in and I'm just so Larry Bird

The rap in the... brick fabric
Fifty goons ready for the...
I put that on my homie
I work my wrist every tourney
These niggers don't know about work
Talk to these niggers...
First nigger made the track say hey
Let 'em go... racks for the OK!
Turn up! 33... for the yey
Burn all shit and...
Choppers... make a nigger do a damn car wheel
He flew, I flew he be...
My wrist is...
Count the money still... on the industry
My back don't swing, got the hitches
Old school still sitting on inches
One million is not for affection...
Ask me what I asked myself, oh boss, oh boss, oh boss
Ask me what I tell these haters (what's that?)
I bowl, I bowl, I bowl

The way I work my wrist I should have played with Larry Bird
32 bangs, just so Larry Bird
Gimmie gimmie cookie... just so Larry Bird
And my trap going in and I'm just so Larry Bird

Larry Bird... I'll be selling bricks
Straight... when I cook my fish.
All my... trying to get rich
Trying to make a profit of a 36
Pull up and catch my trap
34 inch I'll sell the...
Still a rich... with a mouth full of gold...
Forward to top, and forward to bottom
Catch me to... drop me down out a ball
Play out, make a neighborhood holler
... real street color
Stay there first, talk about my color
Don't know enough niggas...
Say you want a... so you know I like a charger
Stay there first, talk about my color
Don't know a...
Say you wanna preach so you know I want...

The way I work my wrist I should have played with Larry Bird
32 bangs, just so Larry Bird
Gimmie gimmie cookie... just so Larry Bird
And my trap going in and I'm just so Larry Bird
