Song For the TV

Olivia Anna Livki

I wrote this song
Though I had another
Two minutes long,
so you Don`t get bothered
By too much music on a music show that suits the gutter
For all you "Twilight"-brothers! Bridge Come, hit me while I run
All my pals who fear the sun
Call `em pals, not friends
We don`t trust each other`s hands.
So girls come screamin`: "I`m a Greedy, greedy, greedy survivor!
Among the last of the feeling I`m a Greedy. greedy, greedy survivor!"

A song for the tv
A song for the tv to feed ya
A song for the tv
A song for the tv then leave me!
A song for the tv I`m a greedy, greedy survivor!
Nahee!!

So wash it off,
the manipulation
The making money on lies and degradation
Then sing a song in the name of dignity, Cause you only obey to integrity. G
ot it?
Bridge Come, hit me while I run
All my pals who fear the sun
Call `em pals, not friends
We don`t trust each other`s hands.
So girls come screamin`: "I`m a Greedy, greedy, greedy survivor!
I hit the globe at the ceiling, I`m a Greedy. greedy, greedy survivor!"

A song for the tv
A song for the tv to feed ya
A song for the tv
A song for the tv then leave me!
A song for the tv I`m a greedy, greedy survivor!

In the morning you`ll wake, like a little buck living underground.
Nahee!!!

So come hit me while I run
All my pals who fear the sun
Call us pals, not friends,

So come hit me while I run
All my pals who fear the sun
Call us pals, not friends,
cause we`re greedy, greedy, greedy survivors!

A song for the tv
A song for the tv to feed ya
A song for the tv
A song for the tv then leave me!
A song for the tv I`m a greedy, greedy survivor!

In the morning you`ll wake, like a little buck living underground.

```
A song for the tv
A song for the tv
A song for the tv to feed ya
A song for the tv
A song for the tv then leave me!
A song for the tv I`m a greedy, greedy survivor!

In the morning you`ll wake, like a little buck living underground.

Oh, oh, bloood!!
Suck!
A song for the tv I`m a greedy, greedy survivor!
In the morning you`ll wake, like a little buck living underground.
