

Tatasilamaki!
Tatasilamaki!
Tatasilamaki!
Tata-Hou!
Tatasilamaki!
Tatasilamaki!
Tatasilamaki!
Explode!

They're saying:
"God helped us out of totalitarianism
God help us each day and every day exist
This is why we can keep our children hungry
While we keep our church roofs gold"
This is why we drive drunk with Mother Mary in the trunk
My whole nation alcoholised and hypnotized
Believing Mother Mary appeared somewhere
Or at least that's what we are told...

So when your own family is telling you things
That you really should not believe
Like: "Satan is 33 and lives in Tel Aviv"
And you try and try and try so hard
But you just can't get relief
Then there's no detox for a wall
There is no detox for a wall
There is no detox for a wall
When you're a:

Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Ohhh!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Explode!

Tatasilamaki!
Tatasilamaki!
Tatasilamaki!
Tata-Hou!

They say:
"Cultivation is when you say "Hello" and "Goodbye"
When you make that curtsy and sigh
When you let your friend Tommy open the door for you
Then address you like Norma Jean
When you say "Oh, is it raining?" when somebody's spitting in your face
In the most polite way Europe's ever seen
When Daddy's coming home drunk acting all shady

While Momma she's taking it like a lady

Then your own friends turn away from you
Cause you're not the one they believe
While Satan is 33 and lives in Tel Aviv
And you try and try and try so hard
But you just can't get relief
Then there's no detox for a wall
There is no detox for a wall
There is no detox for a wall
When you're a:

Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Daughter with the bad manners!
Explode!

Tatasilamaki!...
