

# Free The People

Olivia Newton-John

Free the people from the fire  
Pull the boat out of the raging sea  
Tell the Devil he's a liar  
Come and save the likes of me

Saw your light from the street  
As I passed by the other day  
I was scared, my knees were weak  
Forgot what I had come to say

Free the people from the fire  
Pull the boat out of the raging sea  
Tell the Devil he's a liar  
Come and save the likes of me

Saw a man walk on water  
Everybody looking on  
I didn't know I was His daughter  
Till both of us had come and gone

Free the people from the fire  
Pull the boat out of the raging sea  
Tell the Devil he's a liar  
Come and save the likes of me

If you see me in the valley  
Looking like I don't belong  
You can put me in your greenest valley  
I'll still be singing this same old song

Free the people from the fire  
Pull the boat out of the raging sea  
Tell the Devil he's a liar  
Come and save the likes of me
