

Help Me Make It Through the Night

Olivia Newton-John

Take the ribbon from my hair
Shake it loose and let it fall
Lay it soft against your skin
Like the shadows on the wall
Come and lay down by my side
Till the early morning light
All I'm takin' is your time
Help me make it through the night

I don't care who's right or wrong
I don't try to understand
Let the devil take tomorrow
Lord, tonight I need a friend

Yesterday is dead and gone
And tomorrow's out of sight
And it's sad to be alone
Help me make it through the night

And it's sad to be alone
Help me make it through the night
I don't wanna be alone
Help me make it through the night
