## **How Insensitive**

## Olivia Newton-John

How insensitive i must have seemed When she told me that he loved me How unmoved and cold i must have seemed When she told me so sincerely

Why she must have asked Did i just turn and stare in icy silence What was i to say What can you say when a love affair is over

Now she's gone away
And i'm all alone with the memory of her last look
Vague and drawn and sad, i see it still

All her heartbreak in that last look Why she must have asked Did i just stare in icy silence What was i to do

What can one do when a love affair is over
