I Want To Be Wanted

Olivia Newton-John

Alone, so alone, that I could cry I want to be wanted Alone, watching lovers passing by I want to be wanted

When I'm kissed, I want his lips to really kiss me When we're apart, I want his heart to really miss me I want to know he loves me so His eyes are misty
That's the way I want to be loved

Alone, just my lonely heart knows how I want to be wanted Right now, not tomorrow, but right now I want to be wanted

I want someone to share my laughter and my tears with Someone I know I'd love to spend a million years with When is this someone somewhere meant for me

I want to want someone to share my laughter and my tears with Someone I know I'd love to spend a million years with When is this someone somewhere meant for me
Oh, meant for me, ooh, meant for me
