Lift Me Up

Olivia Newton-John

When I'm down on my luck and I'm searching for my soul When I'm feeling too much and I start to lose control When I'm down so low that even enemies don't wanna know You still care for me say a prayer for me and I know

Ooo I like you hanging around Cause you lift me up when I am upside down Ooo you are my favourite sound Cause you're always down for

Lifting me up like an angel when I hit the ground Feel your arms all around me when I'm feeling down Lift me up like an angel when I hit my low When your arms are around me I don't wanna let you go

When I'm lost along way and I can't face another day And if I stumble on the road and if I can't carry the load And if I lose my faith, and kindness, and generousity Would you hold my hand? Say you understand my pain

Ooo I like you hanging around Cause you lift me up when I am upside down Ooo you are my favourite sound Cause you're always down for

Lifting me up like an angel when I hit the ground Feel your arms all around me when I'm feeling down Lift me up like an angel when I hit my low When your arms are around me I don't wanna let you go

It's been a long hard road and it's only just begun my friend And this I know you helped me carry the load Cause you're always down for

Lifting me up like an angel when I hit the ground Feel your arms all around me when I'm feeling down Lift me up like an angel when I hit my low Whell you're always around You're my favourite sound

Lift me up like an angel when I hit the ground Feel your arms all around me when I'm feeling down Lift me up like an angel when I hit my low When your arms are around me I don't wanna let you go

I don't wanna let you go
Cause you lift me up now
Whell you're always around...
You're my favourite sound
Lift me up now
You lift me up
Lift me up now
Yeah you're always around

You're my favourite sound Lift me up Ohh...Year...
