

## Living In Harmony

Olivia Newton-John

It's not funny when you're lonely  
It's much better when you're living in harmony  
With someone you're really digging  
And you want to give it all that you've got

Don't wanna make you cry  
Don't wanna tell you lies  
Don't wanna bring you down  
Or treat you unkind  
Just wanna make you mine  
And hear you laugh all the time  
Don't wanna break this tie  
I'm telling you why

It's not funny when you're lonely  
It's much better when you're living in harmony  
With someone you're really digging  
And you want to give it all that you've got

Now things were bad before  
So I walked out the door  
I guess I soon found out  
What life's all about  
But now I'm here to stay  
Can't see me wandering away  
Don't wanna break this tie  
I'm telling you why

You can take a little loving  
But if you're not giving  
It'll never be worthwhile  
You can take a little loving  
But if you're not giving  
It'll never work out fine

Play it to me, John

But now I'm here to stay  
Can't see me wandering away  
Don't wanna break this tie  
I'm telling you why  
It's not funny when you're lonely  
It's much better when you're living in harmony
