

Lovin' You

Olivia Newton-John

Lovin you is easy cuz your beautiful
Everyday of my life is filled with lovin you

Lovin you is more than just a dream come true
Making love with you is all I want to do
Laa laa laa laa - doo doo doo doo - ooh ooh ooh ooh

Noone else can make me feel the colors that you bring
Stay with me while we grow old and we will live each day as springtime
Cuz lovin you is more then just a dream come true
Making love with you is all I want to do
Lovin you I see a soul come shining thru
Everyday of my life is filled with lovin you
Laa laa laa laa - doo doo doo doo - ooh ooh ooh ooh

Noone else can mke me feel the colors that you bring
Stay with me while we grow old and we will live each day as springtime
Cuz lovin' you is more then just a dream come true
Making love with you is all I want to do
Lovin' you I see a soul come shinning thru
Everyday of my life is filled with lovin you
Laa laa laa laa - doo doo doo doo - ooh ooh ooh ooh
