

Shaking You

Olivia Newton-John

Why do I have to care for you?
When I should have known to stay away
Why was I there for you?

I don't know how I lost my touch
I never believed that I could ever want
Somebody's love so much

Time can shake me loose from the blues
But who would know I'd be this slow shaking you

I don't know what I'm looking for
I just let the arrows go and hope I find what I am shooting for

So don't say that you'll be there for me
If you don't care for me, I'll be gone
'Cause I don't have the strength to be this strong
Who knew that I'd take so long shaking you

Now I'm waiting to hit the ground
I'm painting my love for you in corners I know how to get around

Time can shake me loose from the blues
But who would know I'd be this slow shaking you

I don't know what I'm looking for
I just let the arrows go and hope I find what I am shooting for
