The Best Of Me

Olivia Newton-John

(David Foster)
So many years gone, still I remember
How did I ever let my heart believe
In one who never gave enough to me
And so many years gone, a love that was so wrong
And I can't forget the way it used to be

You were my one more chance I never thought I'd find You were the one romance I've always known in my mind No one will ever touch me more I only hope that in return I might've saved the best of me for you

And we'll have no ending, no no If we can hold on And I think I've come this far because of you Could be no other love but ours will do

You were my one more chance I never thought I'd find You were the one romance I've always known in my mind No one will ever touch me more I only hope that in return I might've saved the best of me for you

No one will ever touch me more I only hope that in return No matter how much we have to learn I've saved the best of me for you
