

# Busy

Olly Murs

Weekends in bed, no scrambled eggs, or bacon  
I just have time for you  
Backs on the grass, heads in the clouds, we close our eyes  
Enjoy the view

We don't wanna hear  
The real world passing by  
Saying that we're crazy

We spend all our time lying side by side  
Going nowhere, it's really something  
Getting busy doing nothing  
We spend all our time running for our lives  
Going nowhere, it's really something  
Getting busy doing nothing.

No magazines or DVDs  
We both got better things to do  
I'll hold your hand  
Or shall we dance together  
It's just so hard to choose

Every time we hear  
The whole world rushing by  
I know that we're not crazy

We spend all our time lying side by side  
Going nowhere, it's really something  
Getting busy doing nothing  
We spend all our time running for our lives  
Going nowhere, it's really something  
Getting busy doing nothing  
Doing nothing

Should be working hard instead of lying here naked  
Phone rings but I won't take it  
'Cause you only get one life... only get one life

We spend all our time lying side by side  
Going nowhere, it's really something  
Getting busy doing nothing  
We spend all our time running for our lives  
Going nowhere, it's really something  
Getting busy doing nothing.

All our time  
Doing nothing,  
All our time  
Getting busy doing nothing.
