

Fly On The Wings Of Love

Olsen Brothers

In the summernight, when the moon shines bright,
Feeling love forever,
And the heat is on, when the daylight's gone,
Still happy together.

There's just one more thing i'd like to add,
She's the greatest love I've ever had.

Fly on the wings of love,
Fly baby fly,
Reaching the stars above,
Touching the sky.

And as time goes by, there's a lot to try,
And i'm feeling lucky.
In the softest sand, smiling hand in hand,
Love is all around me.

There's just one more thing i'd like to add,
She's the greatest love I've ever had.

Fly on the wings of love,
Fly baby fly,
Reaching the stars above,
Touching the sky.
