

Helen of Troy

OMD

Helen of Troy, Is that your name?
Stupid girl, Stupid game
Helen of Troy, Far away
Are you happy now? There to stay

Because I, Cannot cry, Ever again

Helen of Troy, Black and white
Cries all day, and cries all night
Helen of Troy, you got so strong
Does that make you right and make me wrong?

Because I, Cannot cry, Ever again

Helen of Troy, broken down
There's bits of you all over town
Helen of Troy, suicide, virgin Mary and martyr bride

Because I, Cannot cry, Ever again
