Now it's fading fast

Every second every moment

We've got to--we've gotta make it last

2. If you leave I won't cry
I won't waste one single day
But if you leave don't look back
I'll be running the other way
Seven years went under the bridge
Like time was standing still
Heaven knows what happens now
You've got to--you've gotta say you will

R: I touch you once I touch you twice
I won't let go at any price
I need you now like I needed you then
A G
You always said we'd meet again

F Dm
R: I touch you once I touch you twice
B C
I won't let go at any price
F Dm
I need you now like I needed you then
B C
You always said we'd still be friends

R: I touch you once I touch you twice
I won't let go at any price

I need you now like I needed you then
You always said we'd meet again some day
