

# The Punishment of Luxury

OMD

The Punishment of Luxury  
Is in the air for all to see  
And it's ugly now  
And it's getting worse every day  
(hey! hey! hey!)

Dilettantes savoir faire  
Can I have my check please sir?  
Cause I'm leaving now  
Couldn't take it another day  
(hey! hey! hey!)

Think you're right? Think you're free?  
Floating in your purgat'ry  
But you made your choice  
And you're living it every day  
(hey! hey! hey!)

Lazy Girl; Dirty Boy  
Surrounded by your broken toys  
And you don't know how  
To make the pain just go away  
(hey! hey! hey!)

So close your eyes  
And shut your mouth  
You make me wanna  
To scream and shout

So close your eyes  
And shut your mouth  
You make me want  
To scream and shout

So close your eyes  
And shut your mouth  
You make me wanna  
Scream and shout

(Hey! Hey! Hey!)
