

Nail

Omnium Gatherum

Suspicious
Yet eyes full of strength
A wicked smile
To pass you by
He doesn't care
Yet the grin brings out
The compassion
A four string hero
A nail of a man
Closer... closer
Gigantic sleeping FAL-L for us

The nail
Will cut you deep
And he still does not care
The nail will bring you the keeper
Of the eternal sleeper

And suddenly
Like a flash of light
Disappears
And reappears again
He is moving
And he doesn't sleep
It is up to you
Will you laugh
Or cry
The nail will suck you dry
Bone dry.
