## **Night Changes**

## **One Direction**

Going out tonight Changes into something red Her mother doesn't like that kind of dress Everything she never had she's showing off

Driving too fast Moon is breaking through her hair She's heading for something that she won't forget Having no regrets is all that she really wants

We're only getting older, baby
And I've been thinking about it lately
Does it ever drive you crazy
Just how fast the night changes?
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of
Even when the night changes
It will never change me and you

Chasing it tonight,

Doubts are running 'round her head

He's waiting, hides behind a cigarette

Heart is beating loud, and she doesn't want it to stop

Moving too fast
Moon is lighting up her skin
She's falling, doesn't even know it yet
Having no regrets is all that she really wants

We're only getting older, baby
And I've been thinking about it lately
Does it ever drive you crazy
Just how fast the night changes?
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of
Even when the night changes
It will never change me and you

Going out tonight
Changes into something red
Her mother doesn't like that kind of dress
Reminds her of the missing piece of innocence she lost

We're only getting older, baby
And I've been thinking about it lately
Does it ever drive you crazy
Just how fast the night changes?
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of
Even when the night changes
It will never change, baby
It will never change, baby
It will never change me and you
