Same Mistakes

One Direction

(Harry)
Circles, we going in circles
Dizzy's all it makes us
We know where it takes us we've been before
Closer, maybe looking closer
There's more to discover
Find that what went wrong without blaming each other

(Zayn)
Think that we got more time
One more falling behind
Gotta make up my mind

(Everyone)
Or else we'll play, play, play all the same old games
And we wait, wait, wait for the end to change
And we take, take, take it for granted
That will be the same
But we're making all the same mistakes

(Liam)
Wake up, we both need to wake up
Maybe if we face up to this
We can make it through this
Closer, maybe we'll be closer
Stronger than we were before
It made this something more, yeah

(Zayn)
Think that we got more time
One more falling behind
Gotta make up my mind

(Everyone)
Or else we'll play, play, play all the same old games
And we wait, wait, wait for the end to change
And we take, take, take it for granted
That will be the same
But we're making all the same mistakes

(Harry leading)
Yeah, yeah, that's what crazy is
When it's broken, you say there's nothing to fix
And you pray, pray, pray that everything will be okay
While you're making all the same mistakes

(Liam)
Don't look back
But if we don't look back
We're only running babe
Out of me, cause ain't this
Same mistakes again

(Everyone)
So we play, play, play all the same old games
And we wait, wait, wait for the end to change
And we take, take, take it for granted

That will be the same
But we're making all the same mistakes

Yeah, yeah, that's what crazy is
When it's broken, you say there's nothing to fix
And you pray, pray, pray that everything will be okay
Why you're making all the same mistakes

That will be the same
But we're making all the same mistakes

Yeah, yeah, that's what crazy is
When it's broken, you say there's nothing to fix
And you pray, pray, pray that everything will be okay
