

Better Days

OneRepublic

Oh, I know that they'll be better days
Oh, that sunshine bout to come my way
May we never ever shed another tear for today
Cause oh, I know that they'll be better days

Waking up in California
But these clouds they won't go away
Everyday is like another storm, yeah
I'm just trying not to go insane
Yeah, in the city shining so bright
So many dark nights, so many dark days
But every time I feel the paranoia
I close my eyes and I pray

Oh, I know that they'll be better days
Oh, that sunshine bout to come my way
May we never ever shed another tear for today
Cause oh, I know that they'll be better days

Been waking up to a new year
Got the past a million miles away

I'm waking up with a new fear
But I know it'll wash away
Whatever you do don't worry bout me
I'm thinking bout you, don't worry bout us
Cause in the morning everything can change, yeah
And time will tell you it does

Oh, I know that they'll be better days
Oh, that sunshine bout to come my way
May we never ever shed another tear for today
Cause oh, I know that they'll be better days

Better days
Better days
Better days
Better days
May we never ever shed another tear for today
Cause oh, I know that they'll be better days

May we never ever shed another tear for today
Cause oh, I know that they'll be better days
