

Take It Out On Me

OneRepublic

Tell me about your day
Tell me everything that made you so angry
If I don't know what to say
Then I'll find some words to say

Just this one time
I won't put in my two cents
Just this one time
I'll just shut up and listen
Only if you
Promise that you'll do the same
When you've had a bad day, oh

Take it out on me
Take it out on me, yeah
'Cause I'm strong enough to not break
And I know that you'd do the same
Take it out on me

Would you take it out on me? (On me)
Take it out on me? (On me)
Would you take it out on me? (On me)
Take it out on me?

One day, I'm gonna break
Oh, when that day comes, you gotta accept it
If you don't know what to say
Then I'll find some words to say

Just this one time
I won't put in my two cents
Just this one time
I'll just shut up and listen
Only if you
Promise that you'll do the same
When you've had a bad day, oh

Take it out on me
Take it out on me, yeah
'Cause I'm strong enough to not break
And I know that you'd do the same
Take it out on me

Would you take it out on me? (On me)
Take it out on me? (On me)
Would you take it out on me? (On me)
Take it out on me

(Take it out on me
Take it out on me)
