

She said, "Every time I close my eyes I feel like I could disappear.

I could overflow an ocean with a cavalcade of all my tears.

And I know I sound dramatic, but that's just how it feels."

She said, "I'm holding to the notion that I'll find something real."

I could use a little love sometimes.

Like to know I'm crossing someone's mind.

I just want to be someone that somebody needs.

I just want to be more than a drop in the sea.

I just wanna be...

She said, "I'm counting up my karma and I think it's time to cash it in.

So tired of living in the shadow of a mountain of what might have been.

And I know I sound dramatic, but that's just how it feels.

I've been looking for somebody to tell me that I'm real."

I just want to be wanted (Ooh)

I could use a little love sometimes.

I just need to be needed (Ooh)

Like to know I'm crossing someone's mind.

I just want to be someone that somebody needs.

I just want to be more than a drop in the sea.

I just wanna be wanted

We just want to be wanted.

I just want to be wanted.

I could use a little love sometimes.

I just need to be needed.

Like to know I'm crossing someone's mind.
