## Scorn

## Oomph!

Lead me through your fucking world of joke Feed me with your luck until I choke

Will you scorn me, will you break me? Are you able to forsake me? Will you scorn me, will you hate me? Won't you finally concentrate my pain?

Call my name until I clench my fist Fan the flame until I slash my wrist

Will you scorn me, will you break me? Are you able to forsake me? Will you scorn me, will you hate me? Won't you finally consecrate my hate?

Bite - nothing can save me from my scorn Fight - nothing can spare me from my hate Bite - nothing can save me from my scorn Fight - nothing can spare me from my ...

And now you read my mind And now you see my kind

Will you scorn me, will you break me? Are you able to forsake me? Will you scorn me, will you hate me? Won't you finally consecrate me?

Are you able to forsake me? Won't you finally consecrate my hate?
