

# You And Me

Open Hand

I need to stay focused.  
I need to believe in myself again.  
I need to get it all out.  
I feel so alive...  
I feel so alive...  
And only want some to get my things together and I only want to  
hold it down,  
And I will.  
I'm so alive now...  
And I'm home again.  
Will they have faith in us?  
They'll know when it feels right.  
It's just you and me  
Let's leave this all behind and I only want to get my things to  
gether.  
And I want to hold it down,  
And I will.  
I feel ok...  
I feel alright now  
I feel ok with what's inside.  
In these times of doubt. I know this is what it's all about. So  
now...  
The future's unknown.  
Man,  
I can't do this alone.  
If this is the end... then here we go again.
