

Can't Take This

Orgy

I can't take this
No I can't take this
No I can't take this
'Cause this is f*****g up my mind
I can't take this
No I can't take this
No I can't take this
'Cause this is f*****g up my mind

What's eating at you now?
I can see right through you
No I'm not complaining
But you're running out of time

So what's become of this?
Just frowning faces
No more skeletons hiding
No point in confining
What needs to get out

Something inside of me
Has got me tripping on you
And I can't explain it
Maybe you're just no good for me
After all
Don't want it
Don't want it
Don't want it

I can't take this
No I can't take this
No I can't take this
'Cause this is f*****g up my mind
I can't take this
No I can't take this
No I can't take this
'Cause this is f*****g up my mind

Now that I'm reading between the lines
I need to leave this alone
I know with so much rejection
How could I be satisfied
Can you face it, not at all
Is it possible that it could be you
Who makes the mistakes

Something inside of me
Has got me tripping on you
And I can't explain it
Maybe you're just no good for me
After all

I can't take this
No I can't take this
No I can't take this
'Cause this is f*****g up my mind
I can't take this

No I can't take this
No I can't take this
'Cause this is f*****g up my mind

With or without this I'm alright
And part of me changes every time
Don't you know you're no good for me
Don't you know you're no good for me

I don't want it
Don't want it
Don't want it

I can't take this
No I can't take this
No I can't take this
'Cause this is f*****g up my mind
I can't take this
No I can't take this
No I can't take this
'Cause this is f*****g up my mind

I can't take this
No I can't take this
No I can't take this
'Cause this is f*****g up my mind
