## **Can't Take This**

I can't take this No I can't take this No I can't take this 'Cause this is f\*\*\*\*\*g up my mind I can't take this No I can't take this 'Cause this is f\*\*\*\*\*g up my mind

What's eating at you now? I can see right through you No I'm not complaining But you're running out of time

So what's become of this? Just frowning faces No more skeletons hiding No point in confining What needs to get out

Something inside of me Has got me tripping on you And I can't explain it Maybe you're just no good for me After all Don't want it Don't want it Don't want it

I can't take this No I can't take this No I can't take this 'Cause this is f\*\*\*\*\*g up my mind I can't take this No I can't take this 'Cause this is f\*\*\*\*\*g up my mind

Now that I'm reading between the lines I need to leave this alone I know with so much rejection How could I be satisfied Can you face it, not at all Is it possible that it could be you Who makes the mistakes

Something inside of me Has got me tripping on you And I can't explain it Maybe you're just no good for me After all

I can't take this No I can't take this No I can't take this 'Cause this is f\*\*\*\*\*g up my mind I can't take this No I can't take this No I can't take this 'Cause this is f\*\*\*\*g up my mind With or without this I'm alright And part of me changes every time Don't you know you're no good for me Don't you know you're no good for me I don't want it Don't want it Don't want it I can't take this No I can't take this No I can't take this 'Cause this is f\*\*\*\*\*g up my mind I can't take this No I can't take this

I can't take this No I can't take this No I can't take this 'Cause this is f\*\*\*\*\*g up my mind

'Cause this is f\*\*\*\*g up my mind

No I can't take this
